RIMPA "Law Enforcement, Education and Technology" Summer Computer Camp

The Rhode Island Minority Police Association announces its third "Law Enforcement, Education, and Technology" Summer Computer Camp for young adults. This event presents an opportunity for students aged 13 through 17 to gain added and needful experience in the use of computer technology, college campus life, and form positive relationships with members of the minority law enforcement community in Rhode Island. This year's camp will be held in cooperation with the Textron Chamber of Commerce Charter School, located at 130 Broadway, Providence, Rhode Island.

The camp will consist of five (5) eight-hour training sessions, beginning Monday, July 26, 2004 and ending Friday, July 30, 2004. Sessions will run from 9:00 AM until 4:30 PM on each day. Box lunches will be provided to all attendees. At the end of the final session, drawings will be held for various technology related prizes.

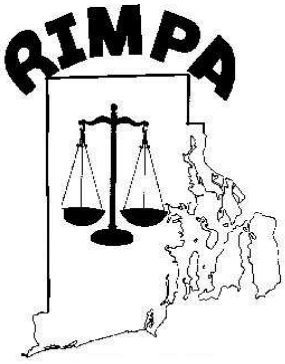

Student participants will be introduced to various types of computer technology, gain enhanced skills in computer research techniques, and be given valuable information regarding methods to prepare themselves for higher education and the job market. They will also have an opportunity to interact with members of the law enforcement community in an effort to build bridges and foster better relationships and understandings of each other.

Students interested in attending must meet the following criteria:

- Recommendation from either an established community center, neighborhood group, or school counselor
- Obtain signed recommendation from a Minority Law Enforcement officer
- Have an established GPA of not less than 2.5
- Have an established residency in target areas of Providence, East Providence, North Providence, Woonsocket, Pawtucket, Newport and Central Falls
- Provide a signed Parental Consent Form

Registration may also be accomplished through the organizational web site at <http://rimpa.com>. Transportation both to and from the Rhode Island College campus is not provided. Only the first fifteen (15) enrollees will be accepted.

For more information, please send an email request to cpwilson2@cox.net, or contact Lieut. Charles P. Wilson, President, at 949-5248 or 465-9152.
